

## PRIMARY SCHOOLS' SCIENCE FAIR 2010

### FOR THE ATTENTION OF THE HEAD OF SCIENCE

YEAR 5/6 PUPILS ARE INVITED TO THE PRIMARY SCHOOLS' SCIENCE FAIR 2010

2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> MARCH 2010 ON-BOARD HMS WARRIOR 1860 AND/OR WITHIN  
ACTION STATIONS, HISTORIC NAVAL DOCKYARD, PORTSMOUTH

The format of the Fair will allow Schools to come for a whole day—broken into two parts, one half of the 450 pupils attending will visit 4 employer science-linked activities and the other will visit Action Stations, then vice versa.

## Information about the day

We would like to invite your School to participate in the 2010 Science Fair.

Last March we gave Schools the opportunity to experience Action Stations and used HMS Warrior 1860 as *part* of the venue for the Science Fair, and this again proved a resounding success. (However, please note that not all activities are on-board HMS Warrior 1860, it will depend on the route designated to your School).

- The day will run from 9.30am-3pm.
- Again, running over 3 days, each of the 25-30 organisations involved will run a 25 minute activity for small groups of children.
- All children will be put into groups of approx 8-10. The ratio of 1 teachers to every 10 pupils will apply.

Before or after the Science Fair your pupils will be able to visit Action Stations where they can ride the simulators, climb on a state-of-the-art rotating wall, etc.

- (Please note height and weight restrictions do apply. You will be given more information upon confirmation of your booking).
- Action Stations do show an optional film which is certified as PG.
- Pupils and teachers should bring a packed lunch that can be eaten *within* the 30-minute lunch break.
- As in previous years we must reluctantly make a nominal charge of £4.75 per pupil.

If you wish to make a booking please complete the attached form and return asap. Numbers are limited to 450 per day.
