

Code of Conduct

By reading and signing the Code of Conduct you agree to follow the rules during the NCS programme

I understand that I am here by choice: I am here because I want to complete the programme and get the most out of it.

I understand that, at times, this may be challenging. I understand that no-one is promising that I will enjoy everything that I do.

I understand that we all need to follow the rules *below*. I understand that these rules apply to me. I believe that these rules are necessary

Our Rules

- Only leave the site with a Group or Team Leader
- No going in other people's rooms or tents
- Be in your room at 10.30pm
- No alcohol, illegal drugs or Knives
- Respect and include other people
- Challenge yourself (take part)
- Turn off mobile phones when asked
- Follow any safety rules and the law

I accept these rules and can see that they are there to make sure I am kept safe and healthy whilst on the NCS programme. I intend to follow them. I know that if I break them, I have no right to insist that I should remain on the programme. By signing below I agree to follow these rules.
